Donald J. Trump

### Complaint

~~Hi~~ Hello I am writing this to  
file Complaint against the president of  
the United States of America Donald  
J. Trump, on grounds that my 14th amendment  
have been violated as a Disable person  
with in the united States; I offend here  
to travel and communicate ineffective because  
most countries in the united States  
lack public transportation using Buses with  
minimum of 50 steps for adequate coverage.  
Continuing, for Communication there is also  
lacking of public internet in most countries  
over 2,000 countries, using Computers

like Spectrum internet, a tower  
 can broadcast public internet county  
 wide. And for more effect transportation  
 a system like this is the city of  
 mobile applications should be developed  
 in all 3000 counties in the  
 United States. The 14th amendment  
 and 5-7th constitutional amendments  
 prohibit the state "United States"  
 from depriving its citizen of  
 liberty, the lack of all three  
 of these resources in over  
 2000 counties violate this.

Relief: An executive order demanding  
 the creation of all three to all and  
 all states, counties without or a  
 unit of municipalities or jurisdictions.
